Culture e Fede Vol. XIX 2011 N.2

Vol. XIX 2011 N. 2

Summarizing various events in the *Courtyard of the Gentiles*, this volume focuses on ways to create dialogues between believers and non-believers. Such dialogues have occurred in Bucharest, Florence, Tirana, Stockholm, Palermo, Barcelona, and other cities. As always a section is dedicated to other meetings involving the Dicastery such as that with Asian ambassadors to the Holy See and matters of faith, science, and atheism.
