BLOGGING AND CULTURE

Culture e Fede Vol. XIX 2011 N.4

Vol. XIX 2011 N. 4

The Vatican Meeting for Bloggers. While encouraging a Christian presence in the blogging community, this meeting also welcomed bloggers from outside the Faith, as well as its critics. Can the Church engage in a dialogue with emerging cultures? Blogging is pertinent to this question, as it is an expression of modern culture. This meeting also recognized the importance of the internet as an anthropological space.
